Re: **TO WHOM IT MAY CONCERN**

Mr. Andrei Popovici has been working for UNHCR Sub Office Luena, Angola from 04 October 2003 to 15 January 2005, as a UNV Database Specialist.

During his assignment in Angola, Mr. Popovici performed various tasks related to his expertise.

Mr. Popovici designed, improved and implemented a registration database using Access 2000 platform, which turned out to be a very useful tool in the process of returnees registration within Moxico Province.

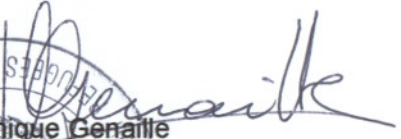

Mr. Popovici had the position of Focal Point for Moxico province, reporting to his counterpart in Luanda, Mr. Mulugeta Zewdie. Mr. Popovici was part of the capacity building team. In this respect, he organized and conducted three database trainings for the data entry clerks from all FOs in Moxico province. Also, he organized and conducted a five days Microsoft Word training for Senior Field Clerks.

Mr. Popovici was part of the Angolan team as IT Specialist and Statistician, during the Repatriation Tripartite Conference Angola-Zambia-Namibia from 17-19<sup>th</sup> of May, 2004, conference which was held in Zambia. He was part of the Angolan IT team, attending the IT Registration Meeting that was held in Zambia, to analyze and solve certain technical problems with regards to the registration databases used in Zambia and provided to Angolan party.

Mr. Popovici supervised on behalf of Sub Office Luena the implementation of Internet connection through satellite receivers, in Field Offices.

Mr. Popovici centralized registration data from Field Offices Cazombo, Luau, Lumbala N'Guimbo and Menongue, providing accurate statistics regarding the Angolan returning process in Moxico province, statistics reported to Head of Sub office Luena.

Taking in to the consideration above said I will recommend Mr. Popovici for further missions as a Database Specialist.

  
Veronique Genaille  
Head of Sub Office Luena
